WHY MAGIC BRAIN.....?

Magic Brain offers opportunities who aspire to teach children from 5 years to 13 years with high level of passion in teaching. Abacus coaching has 7 levels - 3 months a level - 3 hours a week. Vedic Maths 4 levels - 3 months a level - 3 hours a week.

Magic Brain encourages franchisees to take business opportunities from nearby schools. Training is conducted either for school teachers or franchisee can take control of teaching students by providing enough staff.

Magic Brain provides online training for people who belong to anywhere in the world. Tutors can resolve their doubts through online or help line at any time.

Magic Brain supplies all course materials on time so that classes are not struck for want of books and materials. Course materials are in A4 sizes which enables children to work comfortably and legibly.

Magic Brain protects franchisee in terms of more courses in the years to come to take up classes in schools.

Certification is provided for all abacus students in the class after their successful completion of every level.
